To ensure a full compliance on the above rules, we will penalize offenders by refusing their participation in our future fairs, and forfeiting totally the site work deposits lodged with us.

“A Guide on Safety and Health in the Hong Kong Exhibition and Convention Industry” has been published by the Hong Kong Exhibition and Convention Industry Association (HKECIA), which extensively covers various aspects of the industry that requires proper attention. You and your appointed contractor(s) are advised to go through the guide via [A Guide to Health and Safety in the Hong Kong Exhibition & Convention Industry_Eng.pdf](#).
